

# City of Staunton Clock Restoration Project

## By Joseph Cisler, Eagle Scout Candidate

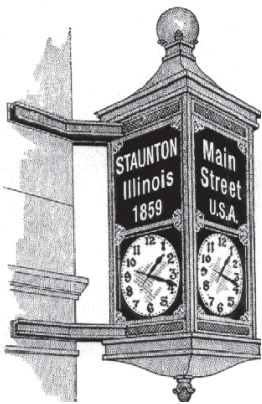

### Staunton Boy Scout Troop 34

Purchasing a brick is a unique way to show your support for the restoration of the Staunton Bank Clock. When buying a brick to be engraved, you may use up to 3 lines of text with 12 characters per line (including spaces).

The estimated cost for my project is \$6,800. Any support would be appreciated. For \$100, you can buy an engraved brick that will be displayed on the front patio of the clock. Think about all of the things you can put on these bricks! You can put your name, an organization, and even your high school class! The possibilities are endless!
